IMPORTANT NOTES

1. Construction project of the stand should be presented to the Fair Office for acceptance till 31.12.2018, latest.
2. According to the provisions of the Fair Regulations, Companies executing stands are obliged to observe security and fire protection regulations, including regulations concerning proper arrangements within the stand area and its surroundings, and restrictions for "dirty" works (cutting, drilling, polishing and painting). Cutting, drilling and polishing are not permitted inside the exhibition hall.
3. Timing for the construction of stands: 22.03.2019 till 24.03.2019, 8⁰⁰am – 10⁰⁰ pm.
The Fair Management will not allow for any construction works of the stands on Monday, the 25th of March, since it is the day dedicated to arrangement of the exhibits only. The Fair Management may stop all such works in case the executing Company should not follow the provisions of the Fair Rules.
4. Dismantling of stands should be finished before 6⁰⁰pm. on the 30th of March 2019

The Fair Management
