

Exhibitor:

6. Valves

- 6.1 On –off valves, with or without actuators
- 6.2 Direct operated control valves
- 6.3 Butterfly valves, with or without actuators
- 6.4 Control valves, with or without actuators
- 6.5 Safety valves
- 6.6 Drain valves
- 6.7 Other

7. Accessories for pumps, valves and pipelines

- 7.1 Filters, strainers, pollution collectors
- 7.2 Orifices
- 7.3 Valve position transmitters, positioners, level indicators for tanks, etc.
- 7.4 Mounting parts for pipelines, flanges, washers and sealing systems, special bolts and nuts
- 7.5 Compensators for pipelines
- 7.6 Other

8. Industrial electronics

- 8.1 Ergoelectronics
- 8.2 Components
- 8.3 Services
- 8.4 Other

9. 3D technologies for industry

- 9.1 3D printing and 3D scanning
- 9.2 Quality control
- 9.3 CAD/CAM/CAE systems
- 9.4 Virtual reality
- 9.5 Accessories, materials, components for 3D technology

10. Measuring equipment for industrial, scientific and educational laboratories

11. Components of hydraulic and pneumatic systems

12. Tools and testing equipment for assembly, maintenance and calibration of automation systems and its components

13. Tools and testing equipment for pumps, valves, and pipelines

14. Designing software, consulting services and other

15. Press
